CHAPTER CCCLXXVII.

An act to regulate the manufacture and sale of fertilizers.

1. Be it enacted by the Senate and General Assembly of the State of New Jersey, That every commercial fertilizer which shall be offered for sale in this state shall be accompanied by an analysis, stating the percentage thereof of ammonia or its equivalent of nitrogen of potash, in any form or combination, in distilled water; and of phosphoric acid in any form or combination; the portion of phosphoric acid soluble in a neutral solution of citrate of ammonia at a temperature not exceeding one hundred degrees Fahrenheit; and that portion of phosphoric acid not soluble in either of the above named fluids, shall be determined separately; and the material from which the phosphoric acid is obtained shall also be stated; a legible statement of such analysis shall accompany all packages or lots of over one hundred pounds, sold, offered or exposed for sale.

2. And be it enacted, That the chemist of the state board of agriculture shall be the inspector of fertilizers; it shall be his duty to take one or more samples of every kind of commercial fertilizers coming within the provisions of this act, which may be offered for sale within this state, and of which he shall be informed.

3. And be it enacted, That manufacturers, dealers, and all persons interested may obtain analysis by notifying the chemist of the state board of agriculture, upon which notification he shall be authorized to analyze at his discretion, samples selected by himself, and to furnish certified copies of such analysis to the persons on whose application they were made; and it shall also be his duty to report all such analysis to the state board of agriculture.

4. And be it enacted, That the chemist of the state board of agriculture shall receive for each certificate of analysis made by him, a sum not to exceed fifteen dollars, to be paid by the person or persons applying thereto.

5. And be it enacted, That any person selling offering or exposing for sale any personal commercial fertilizer without the analysis by the first section of this act, or with an analysis stating that said fertilizer contains a larger per centage of any one or more of the constituents mentioned in said section than is contained therein, shall forfeit fifty dollars for the first offence, and one hundred dollars for each subsequent offence.

6. And be it enacted, That this act shall take effect immediately.

Passed March 24, 1874.

CHAPTER CCCLXXVIII.

A supplement to an act entitled "An act concerning roads," approved April sixteenth, eighteen hundred and forty-four.

1. Be it enacted by the Senate and General Assembly of the State of New Jersey, That whenever the appointment of freeholders to review the finding of surveyors of the highway, in regard to the laying out, alteration or vacation of any road, made under the eighth section of the act to which this is a supplement, shall be certified, the court of common pleas, making such

appointments shall have the power and authority, after the final determination of such certificate when such appointment shall be affirmed, to make another and new appointment of freeholders to review such finding of the surveyors of the highways, in the room and place of the freeholders whose appointment had been or may be certified, which appointment of freeholders shall have the same force and authority as the original appointment; and said freeholders, so appointed shall proceed in the same manner as directed by the eighth section, and the report of the said freeholders so appointed shall have the same effect, and shall be acted upon in the same manner by said court of common pleas as directed by the eighth section; provided, that in all cases of such appointments herefore certified and affirmed, such new appointments shall be paid to the commissioners of the sinking fund one hundred thousand dollars, to pay that portion of the principal falling due on the first day January, one thousand eight hundred and forty-five, of a loan authorized by an act entitled "An act authorizing a loan for the purposes of war, and so forth," approved May tenth, one thousand eight hundred and sixty-one, and the several supplements thereto; and the proceeds of said tax, to be paid into the state fund and shall be appropriated for and applied to the purpose of defraying the necessary expenses of the state; which tax and the sums required to be raised for county, city, township and other public purposes, shall be levied, assessed and collected on the persons and property, and in the manner directed by an act entitled "An act concerning taxes," approved April fourteenth, one thousand eight hundred and forty-five, and the several supplements thereto; and the law of the state, which shall be in force at the time the said taxes shall be assessed, regulating the assessment and collection of taxes, except as in and by this act otherwise ordered and directed.

2. And be it enacted, That whenever the report and proceedings of chosen freeholders appointed under and by virtue of the provisions of the second section of the act approved March twenty-second, eighteen hundred and sixty, and provided for in the said act, provided, that in all cases wherein such report and proceedings have been heretofore reviewed or set aside, the application for such new appointment of freeholders shall be made within six months after the approval of this supplement, and in all future cases, within six months after such report and proceedings shall be revised or set aside.

3. And be it enacted, That this act shall take effect immediately.

Approved March 24, 1874.
